Patent No. US6, 171,524B

I sent my Petition to accept unintentionally delayed Payment of Maintenance fee in and expired Patent(37 CFR 1.378(c) with the Credit Card payment Form last Friday December 17th 2010 Express mail Number EG 5586635200 US . Unfortunately after I sent the U.S postal package I received a letter from my credit card company that they were decreasing my line of credit for the card I used on that form. Please intercept that credit card form I mail on Friday and use this alternative payment I am faxing in today. If you have any questions please feel free to contact me anytime at my direct line:1(818)402-0916- Antony J. Kubichan
